RESERVE WINE LIST

Pinot Noir, Zinfandel and BBQ Food

The first pages of our Smoke't Reserve Wine List feature a large number of **Pinot Noir and Zinfandel wines**. We feel that Pinot Noir and Zinfandel wines pair perfectly with the zesty nature of our BBQ foods.

You will see that the wines are listed into two main growing regions, Oregon and California, and then into specific counties within those states.

Why Pinot Noir and Zinfandel?

Pinot Noir and Zinfandel wines pair perfectly with BBQ food because they are typically lower in tannin and this works well with the sweetness of BBQ. Wines with powerful, astringent tannins tend to clash with the inherent sweetness of BBQ. Additionally, both wines exhibit bold, bright red fruit characteristics and when coupled with lighter tannins, make them a better choice with pork, which can be overpowered by deeper, darker wines.

Both Zinfandel and Pinot Noir often show a slightly smoky and spicy character, great traits to compliment with the smoke and spice flavors of BBQ.

In summary, soft tannins, bight red fruit flavors, and bold smoke and spice notes equal great wines to pair with BBQ.

We hope that you enjoy our selection of wines chosen especially for their ability to compliment our menu.
